Has the programme enabled people to be expressive, who otherwise have not been? Please give details if possible?	yes the above resident really enjoyed the session would normally not take part
Has the programme enabled people to be more active, who otherwise have not been? Please give details if possible?	yes with encouragement residents really let go and became more active.

Feedback from Staff or Participants: please include any quotes from staff or participants the reflect their attitude or reception of the CreativeCast programme:

Staff/Resident/Other (please specify)	Quote
staff member	The residents really enjoyed that session!

Notes

Session was 30 mins via Youtube and 20 mins singalong with the song list provided. Residents really did enjoy singing and guessing the name of the song. We also did a 30 mins Creative Session using the Creative pack, making Theatre masks. Very good sessions.
