INTERACTIVE ACTIVITY

In our mini movie we ask you to join us as our 'spooky' chorus of ghouls and ghosts. You can add to your chorus further by creating your own ghostly finger puppets below!

- 1. Decorate your ghoul however you like*
- 2. Cut out around the whole dark shape*
- 3. Fold the shape down the pink dotted line*
- 4. Stick or staple the edges together, leaving the bottom edge open, so you can put the puppet over your fingers*
- 5. Wear your spooky finger puppet, and join the ghoulish chorus!*
